## **PRESS INFORMATION**

**Paris, 4 October 2020**

The Roland-Garros tournament organisers advise that two players in the junior girl's tournament have tested positive for COVID-19.

In line with the tournament's health and safety protocol, the two players have been removed from the draw, which will commence today, Sunday 4 October.

In total, approximately 3,000 tests have been carried out since Thursday, 17 September.
