

ROLAND-GARROS 2020

PRESS INFORMATION

Roland-Garros tournament officials have confirmed that a female player in the qualifying rounds has tested positive for COVID-19.

In line with the tournament's health protocol, the player has been withdrawn from the women's singles qualifying draw which gets underway tomorrow (22 September). She will isolate for 7 days.

A total of approximately 900 tests have been completed since Thursday 17 September.
